RE: Cosmetic Surgery
Member Benefits

Dear Member,

Mr. Bruno Varano, President of your association has asked me if I would participate in providing a discount program for cosmetic surgery to the membership.

It is my pleasure to offer the members of the Federal Agents Police Benevolent Association, Inc. and their immediate families the following benefits for cosmetic procedures:

- Complimentary cosmetic surgery consultations (a \$100.00 value).
- Complimentary computer imaging, either via the internet or at one of my offices.
- **Professional courtesy reduced rates on plastic surgery procedures performed by Dr. Vitolo.**
- **A 15% courtesy discount on non surgical procedures such as Botox Cosmetic and fillers such as Juvederm or Restylane.**

I encourage you to visit my website at www.DRVITOLO.com or click on our link on the member website to learn about the procedures you are contemplating, then make an appointment for a personal consultation with me. For a more in depth look at some of the surgical procedures you may be contemplating, you may view our videos at www.YouTube.com by entering DRVITOLO under search and enjoy viewing from the comfort of your home. You may call my offices at (800)332-1067 and ask for our plastic surgery coordinator, Emily Santangelo, who will make arrangements for you to receive these benefits. Please have your membership information available when you call to be eligible for these benefits.

My offices are conveniently located on Fifth Avenue in Manhattan, Bay Ridge Brooklyn, Staten Island, and Shrewsbury, New Jersey.

Sincerely,

Robert V. Vitolo, M.D., F.A.C.S., F.I.C.S.
Diplomate, American Board of Plastic Surgery
